"As young Tarzan, multitalented 12-year-old actor Jad Marrewa has a pristine tenor singing voice, as well as impressive acting and acrobatic skills." - San Diego Union Tribune

"Receiving the loudest applause during the curtain calls was the performance by Jad Marrewa as Young Tarzan. [...] He had great stage presence, a wonderful singing voice on numbers like "Who Better Than Me" and "I Need to Know" and was equally adept at the aerials required for his role." - North County Daily Star
